Golf Fore the Hungry was created to raise awareness and to provide individuals, businesses and churches an outlet to work together to create global impact! The GFH Committee has worked diligently the last five years developing one of Central Kentucky's premier golf events while simultaneously raising money for these two deserving charities. To date, the event has donated more than \$110,000 and we invite you to be part of our team by committing to one of the sponsorship levels below.

Join the fun, meet celebrities, and know that your donation is helping to fight hunger, both in Kentucky and around the world.
